

SYSTEM SAFETY SOCIETY EXECUTIVE ORDER 2014-1

25 July 2013

Executive Order Appointing an Operating Vice President (OVP) of History under the Director of Publicity and Media

Pursuant to System Safety Society Bylaws Article VI, Section 4(a) Duties - President and having received the advice and consent of the Executive Council per E-vote SY 2013-2014 E-vote 1:

I, ROBERT A. SCHMEDAKE, President of the System Safety Society, do hereby appoint Mr. Rex Gordon to the position of OVP for Society History (referred to as Society Historian). This executive order supersedes all previous executive orders on this subject.

The position of OVP for Society History is guided by the Director of Publicity and Media, and functions as the Society Historian, with a primary charge to gather and preserve records of historical significance to the Society. Specific responsibilities of this OVP shall include:

- Maintaining an awareness of ISSS history and advising the Executive Council of significant historic milestones/events.
- Maintaining a database containing ISSS history;
- Maintaining a backup copy of historical database;
- Developing a brief historical anthology that is placed and maintained on the society website.
- Examples of historical data to be maintained include:
 - Officers by year
 - Award recipients by year
 - Photos of key individuals
 - Photos from annual conference
 - Key events by year
 - Location of each ISSC by year, including number of attendees, photos, etc.
 - Chapters by year, with list of chapter officers
 - Copies of Journal of System Safety

The office is allocated no budget independent of the Director of Publicity and Media budget. No EC voting privileges or travel reimbursements are granted by the executive order. The term of this appointment is coincident with the term of the SY2013-SY2017 Director of Publicity and Media and may be renewed at the beginning of the following term of office for the Director of Publicity and Media by a future Executive Order with the advice and consent of the executive council.

ROBERT A. SCHMEDAKE
SYSTEM SAFETY SOCIETY PRESIDENT
